**CODE OF ETHICS**

As a member you must support the following:

Consulting engineering is an important and learned profession. The members of the profession recognize that their work has a direct and vital impact on the quality of life for all people. Accordingly, the services provided by consulting engineers require honesty, impartiality, fairness and equity and must be dedicated to the protection of public health, safety and welfare. In the practice of their profession, consulting engineers must perform under a standard of professional behavior which requires adherence to the highest principles of ethical conduct on behalf of the public, clients, employees and the profession.

Consulting engineers, in the fulfillment of their professional duties, shall:

- Hold paramount the safety, health and welfare of the public in the performance of their professional duties.
- Perform services only in areas of their competence.
- Issue public statements only in an objective and truthful manner.
- Act in professional matters for each client as faithful agents or trustees.
- Avoid improper solicitation of professional assignments.

These are the fundamental canons of the American Council of Engineering Companies and are subscribed to by all members of the ACEC of Idaho.

**ACEC National & ACEC of Idaho MEMBERSHIP REQUIREMENTS**
