BONUS REASON:

You get dozens of real-world strategies guaranteed to take your firm to new levels of revenue, profit, and client satisfaction.

YOUR COACH

Chris Martersteck, AIA, LEED AP, DBIA

Chris's A/E/C experience includes leading fully-integrated teams and providing project management training and process and tool development as Director of Integrated Services and Project Management for a number of top international A/E/C firms. His extensive experience as an A/E/C project and program manager and as an owner's representative and seminar leader informs his knowledge

and abilities to serve the needs of all the project participants to better connect to the goals of clients – and all team members – and maximize success for all. Chris has successfully managed technically complex and highly accelerated design-build/IPD projects as well as conventional A/E projects, ranging from smaller ongoing multi-project efforts to ones exceeding \$125 million. During his 15 years with national multidisciplinary A/E/C and design-build firm McClier (an AECOM company), Chris was Senior Vice President managing larger projects, as well as responsible for the mentoring and training of project management staff and developing and refining the firm's fully integrated project delivery processes. He served as the firm's Quality & Risk Management Officer and led peer reviews of sister AECOM companies as a member of the AECOM Performance Excellence Council.

WHAT TO EXPECT

Want to manage A/E/C projects with complete confidence, keeping multiple stakeholders happy, driving new business to your firm, and consistently coming in on budget and on time? This power-packed workshop combines PSMJ's legendary A/E practice knowledge built over 40 years with proven new methods driving superior PM performance at firms just like yours.

ACTIVE: You won't sit and listen to an instructor for 2 days. This program keeps you engaged and stimulated with expert facilitators committed to interactivity and inclusive discussions.

GROUNDING: You won't be tuned off by impractical project management tips. Rather, you'll get to hear real-world case studies that show what's working—and what isn't—in bringing projects in on time and budget.

CONFIDENCE BUILDING: In two days, we guarantee you'll have renewed confidence to take on any project, crush any project goal, and manage any challenge that clients, contractors, and suppliers throw your way.

Over 44,000 A/E/C professionals have chosen PSMJ's A/E/C Project Management Bootcamp for training, from newly-minted Project Managers ready to learn the ropes all the way up to experienced leaders seeking continuous improvement. It's the industry-leading program that delivers a 10X multiple ROI by making PMs more valuable to their firms and their firms' clients.
